Slim Dimmer

A Compact, Rugged, 1800 Watt Dimmer

- *Extremely Compact*
- *Large, professional quality fader*
- *Accurate digital control and display*
- *Durable metal construction*
- *Easily hangable with optional C-clamp*

Catalog Number:
LDT1.8K

Description:

The Slim Dimmer is a 1800 Watt, 120VAC electronic dimmer with NEMA 5-15 (Edison) connectors. It is a compact, rugged, unfiltered dimmer with onboard fader control and digital intensity display.

Application:

Provides compact portable dimming for balancing or matching lights anywhere simple dimming is required, such as television, or motion picture use.

Markets Served:

Motion Picture and Television Production, Retail Displays

Note: The Lex Products Slim Dimmer 1.8k is a compact dimmer with no output filtering, which may result in some lamp noise depending on the fixture being dimmed.
